ABOUT US

NK Exterior Cleaning Services is a Ugandan based industry specific operation formed to provide rope access services with varying scopes.

Established in 2011 and working under rope access experts, It has the ability to provide a value added comprehensive solution for remote access PROBLEMS at heights.

Trusted by organizations for over 10 years, we deliver reliable exterior cleaning services across Kampala, Entebbe and Jinja.

We have at our disposal an expert team of technicians who are highly skilled in the art of rope access in addition to skills in many other disciplines. This enables us to not only access extreme locations but to carry out the REQUIRED tasks when we get there.

We focus on providing unmatched rope access services to our valued customers in their maintenance & civil works such as painting, blasting and Pressure washing, External High rise Building window Cleaning and facade glass cleaning services.
