"CLEANING YOUR PROPERTY THE RIGHT WAY"

NK Office Cleaning Services has developed a reputation for high quality cleaning, reliable staff and a service that goes above and beyond.

We have been established for **over 10 years** and we invest in our staff and they repay that with loyalty and a strong work ethic. We invest in training and equipment and that elevates us above much of the competition.
Such investment attracts the best cleaners around, which is why our services are so sought-after.

We are also flexible. While we do work under contract, those contracts include the flexibility to add or change services as required. We appreciate that business changes all the time and you need contractors willing to change with you. That's what we offer.

WE ALSO OFFER:
>Contracts that can include most types of commercial cleaning
> Flexible working hours to suit your schedule
> Fully trained and insured staff
> Competitive prices with an emphasis on quality
> Scheduled office cleaning in Kampala and surrounding areas

If you're looking for efficient, reliable office cleaning in Kampala, Jinja or Wakiso, contact NK Office Cleaning Services for a free quotation!
Compliance and Insurance
We are **ISO 9001:2015, ISO 14001:2015 and 45001:2015** certified and can provide full COSHH documentation. We also perform full risk assessments for every premises we work in.

The ISO 9001 framework ensures quality, reliability and safety. The ISO 14001 standard concerns itself with environmental awareness. ISO 45001 is the standard that ensures health and safety in processes.
All three accreditations mean we are safe, provide a quality service and use environmentally responsible products and practices without compromising the quality of our cleaning.

Like most professional companies, we have full Public & Employee liability insurance cover. Unlike most companies, our limit of cover is £10 million which is held with two companies to spread any exposure.
